REPUBLIC OF GHANA

7TH JULY, 2026

PRESS RELEASE

ALL MEDIA HOUSES

MANDATORY OBSERVATION OF NATIONAL GENERAL CLEANING DAYS: ALL SHOPS, MARKETS AND COMMERCIAL ENTITIES IN ACCRA TO CLOSE FOR THE EXERCISE.

As custodians of this land, the Ga Mantse and President of the Ga Traditional Council, King Tackie Teiko Tsuru II and the entire membership of the Ga Traditional Council in partnership with government, and on behalf of the Office of the Greater Accra Regional Minister, the Regional Co-ordinating Council, the Accra Mayor, and the Accra Metropolitan Assembly do hereby invoke the spirit of unity and civic duty among the people of the Ga State.

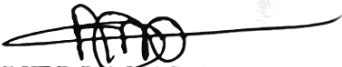

In support of the National General Cleaning Days on Friday, 10 July, and Saturday, 11 July 2026, we act in collaboration with the Regional Minister's Office, the Regional Co-ordinating Council, and the Accra Metropolitan Authority to heal our environment and protect the sanctity of our capital.

To ensure our streets are purged of filth and our drains restored to health, the Ga Traditional Council order that all shops, markets, and commercial entities within Accra remain closed between 7:00 a.m. and 12:00 noon on both days.

This suspension of commerce is mandatory for all, with the sole exception of emergency services, essential medical units, and authorized sanitation personnel.

Let every citizen rise to this call with discipline. When we cease our trading to cleanse our land, we secure our future and uphold the dignity of our people. A clean Accra is the strength of the Ga State and the pride of our nation.

Clean communities, secure lives.
